Light-filled living, beautifully designed

The Amalfi combines contemporary architecture with relaxed family living, creating a light-filled home that embraces seamless indoor-outdoor connection. Thoughtfully designed to maximise space, functionality, and flow, its expansive open-plan living area extends effortlessly to the outdoor entertaining space, while a dedicated children's wing provides flexibility for growing families. Externally, warm timber accents, natural materials, contemporary curves, and clean architectural lines create a refined yet inviting facade, bringing together comfort, connection, and timeless coastal-inspired elegance.
